Commissioner for Patents

Dear Sir:

An Information Disclosure Statement (IDS) pursuant to 37 C.F.R. §§ 1.56 and 1.97-1.98 for the above-named application was mailed by the Applicants on May 2, 2000, and received by the U.S. Patent & Trademark on May 5, 2000. It has recently been discovered by the Applicants that this IDS was mistakenly entered against an unrelated application by the US PTO. For the sake of good order, Applicants are submitting herewith a true copy of the IDS as originally filed, and a copy of the return postcard bearing the US PTO receipt stamp. Applicants respectfully request that the Examiner consider the submission as timely filed.

Respectfully Submitted,

By Darla P. Fonseca
